SECTION ONE - Introduction

Management summary	15
Introduction - Europe & beyond	19

SECTION TWO - Today, yesterday & tomorrow

Today, more than ever, it's all about cutting motoring budgets	32
Cost benefit analysis holds key to sector prosperity	41
Diesel hybrids waiting in the wings	49
Sector review and market round-up	58
Diesel carmakers get a grip of particulate problem	84
Greener than Green	88
To finally clean up their act diesel car makers call for speedy introduction of zero-sulphur diesel	89
Diesel's efficiency crown will not be challenged by direct-injection petrol engines	92
Diesel engine technology is far from exhausted	94
Today's diesel engine development is only the tip of the iceberg	96
More power with largely unchanged fuel consumption	100
From testbed to market in record time	100
Lots more development potential in today's already cutting-edge diesels	101
Diesel car makers are coping with high cost hurdles	103
Added costs of a DI diesel engine compared to same capacity/power petrol unit	104
Euro 5 NOx levels for diesels nowhere near as tough as earlier feared	107
Making particulate filters compulsory	108
Tax incentives to reduce emissions	108
International cooperation	108
Euro 6 - a foretaste of what may be in store for 2014	109
Selective Catalytic Reduction (SCR) well suited to cut dreaded NOx emissions	111
Not a question of 'IF', but 'WHEN' serious US diesel car market will come into being ...	113
Switch to more fuel efficient vehicles such as diesels will cut US carbon monoxide emission significantly	115
Nationwide availability of ultra-low sulphur diesel holds key to meeting US 2007 emission levels	116
Higher initial Sticker price, but diesels' savings come later	118
Era of cheap US fuel prices may be all but over	120
Forecast assumes big Diesel education programme and promotion of diesel virtues	121
The future spells diesel, but there are significant potential cost dangers on the way	123
Central European car buying patterns soon expected to mirror petrol diesel mix in Western Europe	123

Diesel car demand in Central Europe, including both the Ukraine and Russia, is expected to rise sharply during the next half-decade or so	126
US next big frontier, likely followed by India and somewhat later, even China and Japan .	127

SECTION THREE - European Details (2000 - 2005)

Western Europe - Diesel car sales penetration by market	130
Western Europe - Diesel car sales history by market.	131
Western Europe - Market share of total diesel car sales	132
Western Europe - Diesel car sales by manufacturer	134
Western Europe - Diesel car market share by manufacturer	135
Germany - Diesel car price comparison.	136 - 139
Market sector classification	140
Western Europe - Passenger car sales history by sector	141
Western Europe - Basic sector diesel sales by manufacturer	142
Western Europe - Basic sector diesel share by manufacturer.	142
Western Europe - Small sector diesel sales by manufacturer	143
Western Europe - Small sector diesel share by manufacturer.	144
Western Europe - Lower-medium sector diesel sales by manufacturer	145
Western Europe - Lower-medium sector diesel share by manufacturer	146
Western Europe - Upper-medium sector diesel sales by manufacturer.	147
Western Europe - Upper-medium sector diesel share by manufacturer	148
Western Europe - Near-executive sector diesel sales by manufacturer	149
Western Europe - Near-executive sector diesel share by manufacturer.	149
Western Europe - Executive sector diesel sales by manufacturer.	150
Western Europe - Executive sector diesel share by manufacturer	151
Western Europe - Luxury sector diesel sales by manufacturer	152
Western Europe - Luxury sector diesel share by manufacturer	152
Western Europe - People-carrier diesel sales by manufacturer	153
Western Europe - People-carrier diesel share by manufacturer.	154
Western Europe - Sports-utility diesel sales by manufacturer	155
Western Europe - Sports-utility diesel share by manufacturer	156
Western Europe - Top selling diesel models.	157 - 158
Western Europe - Top selling diesel models by sector	159
Western Europe - Diesel passenger car production by country	160
Western Europe - Diesel passenger car production by manufacturer	161
Western Europe - Share of diesel passenger car production by manufacturer	162
Western Europe - Diesel passenger car production by model and sector	163 - 165

SECTION FOUR - Sales & Production Forecasts

Western Europe - Diesel car sales volume and penetration (1983 - 2011)	168
Western Europe - Diesel car sales annual changes to 2011	168
Western Europe - Forecast diesel car sales penetration by market	169
Western Europe - Forecast diesel car sales by market	170
Western Europe - Forecast share of diesel car market	171
Western Europe - Forecast diesel car sales by manufacturer	172
Western Europe - Forecast diesel car market share by manufacturer	173
Western Europe - Forecast top selling diesel models	174 - 175
Western Europe - Forecast diesel car sales by sector	176
Western Europe - Forecast top selling diesel models by sector	177 - 179
Central & Eastern Europe - Forecast diesel sales volume & penetration	180
- <i>Bulgaria</i> Forecast diesel sales volume & penetration	181
- <i>Czech Republic</i> Forecast diesel sales volume & penetration	182
- <i>Estonia</i> Forecast diesel sales volume & penetration	183
- <i>Hungary</i> Forecast diesel sales volume & penetration	184
- <i>Latvia</i> Forecast diesel sales volume & penetration	185
- <i>Lithuania</i> Forecast diesel sales volume & penetration	186
- <i>Poland</i> Forecast diesel sales volume & penetration	187
- <i>Romania</i> Forecast diesel sales volume & penetration	188
- <i>Russia</i> Forecast diesel sales volume & penetration	189
- <i>Slovakia</i> Forecast diesel sales volume & penetration	190
- <i>Slovenia</i> Forecast diesel sales volume & penetration	191
- <i>Ukraine</i> Forecast diesel sales volume & penetration	192
Western Europe - Diesel car production and share of total output (1983 - 2011)	193
Western Europe - Forecast diesel production annual changes to 2011	193
Western Europe - Forecast diesel car production by manufacturer	194
Western Europe - Forecast share of diesel car production by manufacturer	195
Western Europe - Forecast diesel car production by model and sector	196 - 198

SECTION FIVE - West European market details

Austria - Diesel car sales volume and penetration (1983 - 2011)	200
Austria - Diesel car sales annual changes to 2011	200
Austria - Comparative pump price history (petrol v. diesel)	201
Austria - Passenger car sales history by sector	202
Austria - Diesel car sales history by sector	202
Austria - Diesel car sales history by manufacturer	204
Austria - Diesel car market share history by manufacturer	205
Austria - Top selling diesel models (2000 - 2005)	206 - 207
Austria - Forecast diesel car sales by sector to 2011	208
BeLux - Diesel car sales volume and penetration (1983 - 2011)	209
BeLux - Diesel car sales annual changes to 2011	209

Belgium - Comparative pump price history (petrol v. diesel)	210
BeLux - Passenger car sales history by sector	211
BeLux - Diesel car sales history by sector	211
BeLux - Diesel car sales history by manufacturer.	213
BeLux - Diesel car market share history by manufacturer	214
BeLux - Top selling diesel models (2000 - 2005).	215 - 216
BeLux - Forecast diesel car sales by sector to 2011	217
Denmark - Diesel car sales volume and penetration (1983 - 2011)	218
Denmark - Diesel car sales annual changes to 2011.	218
Denmark - Comparative pump price history (petrol v. diesel)	219
Denmark - Passenger car sales history by sector	220
Denmark - Diesel car sales history by sector	220
Denmark - Diesel car sales history by manufacturer	222
Denmark - Diesel car market share history by manufacturer	223
Denmark - Top selling diesel models (2000 - 2005)	224 - 225
Denmark - Forecast diesel car sales by sector to 2011.	226
Eire - Diesel car sales volume and penetration (1983 - 2011).	227
Eire - Diesel car sales annual changes to 2011	227
Eire - Comparative pump price history (petrol v. diesel)	228
Eire - Passenger car sales history by sector	229
Eire - Diesel car sales history by sector	229
Eire - Diesel car sales history by manufacturer	231
Eire - Diesel car market share history by manufacturer	232
Eire - Top selling diesel models (2000 - 2005).	233 - 234
Eire - Forecast diesel car sales by sector to 2011	235
Finland - Diesel car sales volume and penetration (1983 - 2011)	236
Finland - Diesel car sales annual changes to 2011	236
Finland - Comparative pump price history (petrol v. diesel).	237
Finland - Passenger car sales history by sector	238
Finland - Diesel car sales history by sector	238
Finland - Diesel car sales history by manufacturer.	240
Finland - Diesel car market share history by manufacturer	241
Finland - Top selling diesel models (2000 - 2005).	242 - 243
Finland - Forecast diesel car sales by sector to 2011	244
France - Diesel car sales volume and penetration (1983 - 2011).	245
France - Diesel car sales annual changes to 2011.	245
France - Comparative pump price history (petrol v. diesel)	246
France - Passenger car sales history by sector.	247
France - Diesel car sales history by sector.	247
France - Diesel car sales history by manufacturer	249
France - Diesel car market share history by manufacturer	250
France - Top selling diesel models (2000 - 2005)	251 - 252
France - Forecast diesel car sales by sector to 2011	253
Germany - Diesel car sales volume and penetration (1983 - 2011)	254

Germany - Diesel car sales annual changes to 2011	254
Germany - Comparative pump price history (petrol v. diesel)	255
Germany - Passenger car sales history by sector	256
Germany - Diesel car sales history by sector	256
Germany - Diesel car sales history by manufacturer	258
Germany - Diesel car market share history by manufacturer	259
Germany - Top selling diesel models (2000 - 2005)	260 - 261
Germany - Forecast diesel car sales by sector to 2011	262
Italy - Diesel car sales volume and penetration (1983 - 2011)	263
Italy - Diesel car sales annual changes to 2011	263
Italy - Comparative pump price history (petrol v. diesel)	264
Italy - Passenger car sales history by sector	265
Italy - Diesel car sales history by sector	265
Italy - Diesel car sales history by manufacturer	267
Italy - Diesel car market share history by manufacturer	268
Italy - Top selling diesel models (2000 - 2005)	269 - 270
Italy - Forecast diesel car sales by sector to 2011	271
Netherlands - Diesel car sales volume and penetration (1983 - 2011)	272
Netherlands - Diesel car sales annual changes to 2011	272
Netherlands - Comparative pump price history (petrol v. diesel)	273
Netherlands - Passenger car sales history by sector	274
Netherlands - Diesel car sales history by sector	274
Netherlands - Diesel car sales history by manufacturer	276
Netherlands - Diesel car market share history by manufacturer	277
Netherlands - Top selling diesel models (2000 - 2005)	278 - 279
Netherlands - Forecast diesel car sales by sector to 2011	280
Norway - Diesel car sales volume and penetration (1985 - 2011)	281
Norway - Diesel car sales annual changes to 2011	281
Norway - Comparative pump price history (petrol v. diesel)	282
Norway - Passenger car sales history by sector	283
Norway - Diesel car sales history by sector	283
Norway - Diesel car sales history by manufacturer	285
Norway - Diesel car market share history by manufacturer	286
Norway - Top selling diesel models (2000 - 2005)	287 - 288
Norway - Forecast diesel car sales by sector to 2011	289
Portugal - Diesel car sales volume and penetration (1985 - 2011)	290
Portugal - Diesel car sales annual changes to 2011	290
Portugal - Comparative pump price history (petrol v. diesel)	291
Portugal - Passenger car sales history by sector	292
Portugal - Diesel car sales history by sector	292
Portugal - Diesel car sales history by manufacturer	294
Portugal - Diesel car market share history by manufacturer	295
Portugal - Top selling diesel models (2000 - 2005)	296 - 297
Portugal - Forecast diesel car sales by sector to 2011	298

Spain - Diesel car sales volume and penetration (1983 - 2011).....	299
Spain - Diesel car sales annual changes to 2011	299
Spain - Comparative pump price history (petrol v. diesel)	300
Spain - Passenger car sales history by sector	301
Spain - Diesel car sales history by sector	301
Spain - Diesel car sales history by manufacturer	303
Spain - Diesel car market share history by manufacturer	304
Spain - Top selling diesel models (2000 - 2005)	305 - 306
Spain - Forecast diesel car sales by sector to 2011	307
Sweden - Diesel car sales volume and penetration (1983 - 2011).....	308
Sweden - Diesel car sales annual changes to 2011	308
Sweden - Comparative pump price history (petrol v. diesel).....	309
Sweden - Passenger car sales history by sector	310
Sweden - Diesel car sales history by sector	310
Sweden - Diesel car sales history by manufacturer	312
Sweden - Diesel car market share history by manufacturer	313
Sweden - Top selling diesel models (2000 - 2005).....	314 - 315
Sweden - Forecast diesel car sales by sector to 2011	316
Switzerland - Diesel car sales volume and penetration (1983 - 2011).....	317
Switzerland - Diesel car sales annual changes to 2011.....	317
Switzerland - Comparative pump price history (petrol v. diesel)	318
Switzerland - Passenger car sales history by sector.....	319
Switzerland - Diesel car sales history by sector.....	319
Switzerland - Diesel car sales history by manufacturer	320
Switzerland - Diesel car market share history by manufacturer	322
Switzerland - Top selling diesel models (2000 - 2005)	323 - 324
Switzerland - Forecast diesel car sales by sector to 2011	325
United Kingdom - Diesel car sales volume and penetration (1983 - 2011).....	326
United Kingdom - Diesel car sales annual changes to 2011	326
United Kingdom - Comparative pump price history (petrol v. diesel).....	327
United Kingdom - Passenger car sales history by sector	328
United Kingdom - Diesel car sales history by sector	328
United Kingdom - Diesel car sales history by manufacturer	330
United Kingdom - Diesel car market share history by manufacturer.....	331
United Kingdom - Top selling diesel models (2000 - 2005).....	332 - 333
United Kingdom - Forecast diesel car sales by sector to 2011	334
